I do hope you have not been too confused by the sending and the message heading of the latest u3a newsletter

Although it was compiled, edited and produced by myself, it was intended to be a combined enterprise between the new Committee for Tendring District u3a and the Steering Committee for Frinton Walton and District u3a.

It was sent out (without my knowledge) by the Beacon Administrator for TDu3a rather than as usual by myself. The Newsletter is intended to be read before the membership pack as it gives a more thorough update to the current situation.

Frinton Walton and District u3a is now up and running independently, no longer a satellite of TDu3a.

We are very keen to sign up members both new and transferring from TD. We already have some exciting ideas as to how we would like OUR u3a to develop and we are always keen to hear of your suggestions.

If you would like to join us please use the second section of the membership pack – a guidance sheet and the application form for FRINTON WALTON & DISTRICT u3a.

SAVE THE DATE: FWDu3a INAUGURAL LAUNCH MEETING

McGRIGOR HALL, FRINTON

MARCH 4th

More details to follow!!!

Many thanks for reading

Phyllis Deer

Steering Committee FWDu3a
