184 members already – don't forget to tell your friends and neighbours about us – bring them along to a monthly meeting

Your membership and support are very much appreciated and we look forward to seeing you at meetings, groups and events. Please contact one of the Committee if you have any suggestions or requests for the development of FWDu3a or if you think you can help in any way. A suggestion box is also available at monthly meetings for your comments. In particular we are looking for people interested in helping with archiving, publicity and safety - hopefully small teams for each.

WOW – we certainly did rock the night away

Over 50 members from FWD and TD u3as and some guests had a great evening listening and many dancing to live band Reloaded who played cover tracks from the 50s and 60s. Generous servings of sausages and chips, supplied by Tollgate in Walton, were most welcome during the interval. Photos can be seen in the Gallery on the website. Many compliments were paid to the Social Team for organising the evening along with requests of more similar events.
