## NEWS UPDATE

We held a very successful meeting on Saturday 1<sup>st</sup> July for new members. We promoted locally via social media and Look magazine so that others who were interested in finding out more about our u3a were also invited. There were displays from some of our Groups, a video, and introductions to many of our activities. Following refreshments, there was a demo by the Country Dance Group with many of the audience joining in!! Thanks to Maddie Deason for her organising.

On the day we handed out information packs and leaflets resulting in 14 new members and hopefully more to come once they have thought about it. We have reached 204!! Please continue to tell your friends and neighbours about us.

Your membership and support are very much appreciated and we look forward to seeing you at meetings, groups and events.

We have started to send you, via Beacon (our communications programme), newsletters from national Third Age Trust and the Eastern Region both of which we are affiliated to. These newsletters often contain interesting items especially about what other u3as are up to and we hope you enjoy reading them. The Regional one in particular gives notice of some Zoom talks (Regional and National) which may interest some of you. If they are of no interest, please feel free to ignore / delete.

We are still looking for some volunteers / small teams to assist the Committee with Archiving and developing Publicity and Communication

On the subject of archiving, does anyone have a copy of Tendring District u3a Newsletter (the booklet format) issue number 63 dated 2011? It is missing from the Library for some reason and TDu3a would like it to complete their collection.

Have a great summer
