NEWS UPDATE

Our constitution (on the website if you want to read it) states that we can have up to 12 members on the Committee. Nine from the Steering Committee are prepared to stand for election at October's AGM so that means we have 3 vacancies. Would you consider joining this friendly team and help **your** u3a to develop and thrive? Please talk to one of the Committee for more info.

Many hands make light work – as the saying goes

Thanks to your efforts in “spreading the word” our membership now stands at 210. We sadly report that two of our members have passed away and one has moved from the area.

Your membership and support are very much appreciated and we look forward to seeing you at meetings, groups and events.

We are still looking for some volunteers / small teams to assist the Committee with Archiving and developing Publicity and Communication – each of these tasks would probably only take an hour or two every so often, could be done from home and easily shared with a colleague.

Your Steering Committee – please note we have new email addresses

The Steering Committee remains in place until the vote at the October 6th AGM

And finally haven't done one of these for some time – apologies if you don't share my sense of humour

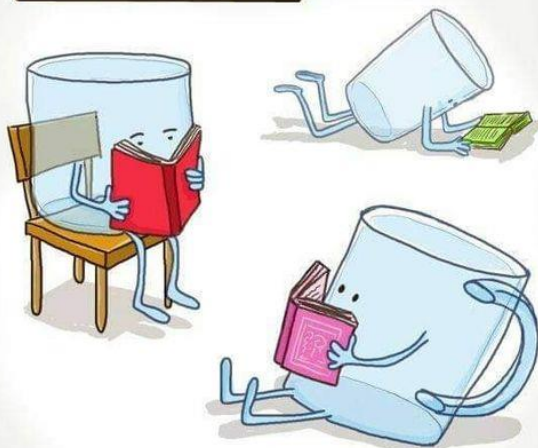

"Plant based potatoes" this is why aliens fly straight past us

No matter how stupid you feel, remember, Little Red Riding Hood couldn't figure out that a talking wolf wasn't her grandmother.

KEREN.

Do you know how weird it is being the same age as old people?
